BREAKING NEWS

A BRIDGE FROM CBV INSTITUTE PRACTICE STANDARDS TO IVS NOW AVAILABLE

CBV Institute is at the forefront of the global valuation community, and has determined to continue to advance changes to CBV Institute Practice Standards and pursue adoption of International Valuation Standards (IVS) through further due diligence and consultation. CBV Institute Practice Standards and IVS are largely consistent, however differences do exist, which have practical implications to practitioners.

As part of this consultation process and to assist members' in applying IVS, CBV Institute has published A Bridge from CBV Institute Practice Standards to IVS to highlight areas of differences between CBV Institute Standards and IVS.

You can find the Bridging Guide and more information on IVS [located here](#).

As IVS continues to gain recognition and use internationally, there will be an increased need for CBVs to meet the requirements of IVS.

NOTICE BOARD

GLOBAL DATABASE OF VALUERS TRAINED IN IVS DO YOU QUALIFY?

The IVSC will soon be launching a global database of valuers, searchable country-by-country, enabling members of the public to make informed decisions when selecting a valuation professional. By taking IVS training, CBVs can be included in this database, providing individual members an opportunity for global recognition and identification.

If you have taken IVS training, you qualify to be included. CBV Institute is offering IVS training through a 5.5 hr iiBV e-learning course, available on the [CBV Institute IVS Webpage](#).

For more information and to be added to the IVSC database, contact [Catalina Miranda](#), Director, Professional Practice.

CALL FOR EXPRESSION OF INTEREST TO SERVE BOARD OF DIRECTORS

We will hold our election of Directors to the Board of Directors during our Annual Meeting of Members on June 10, 2020, in Toronto. The Governance and Nomination Committee of the Board assumes responsibility for the nomination of suitable candidates for election to the Board of Directors in addition to Members elected in respect of a Region. This year, there are two At-large Director seats up for nomination by the Governance and Nomination Committee. At-large Directors will serve for a three-year term. One Director will be elected for a three-year term through the Regional Director election process.

If you are interested in exploring a Board of Director’s leadership opportunity through an At-large Director nomination by the Governance and Nomination Committee, please [click here](#) to access CBV Institute Board of Directors Notice which details the information on the role of the Board Director, current Board and Committee and Advisory Council structure, time commitments, and desirable Board competencies. For the 2020 – 2023 At-large Director nominations, the Governance and Nomination Committee has prioritized skills/attributes and experience in innovation, governance and investment management that will strengthen the Board in alignment with CBV Institute needs. In order to be considered by the Governance and Nomination Committee, please express your interest by following the application process detailed in the Board of Directors Notice by **January 31, 2020**.

The Governance and Nomination Committee will identify candidates whose qualifications and experience align with the current needs of CBV Institute. Identified candidates will be asked to complete a self-assessment matrix form and go through an interview process before a final selection is made. An expression of interest does not guarantee that the candidate will be selected for nomination by the Governance and Nomination Committee this year. However, your expression of interest may be retained for consideration in the future. We thank you for considering this opportunity to help us shape the future of our profession.
