PRACTICE INSPECTION DECLARATIONS now live and PRACTICE INSPECTION FAQ now available

Mandatory practice inspections begin this year. CBV Institute website will prompt all Members and Registered Students to complete their annual Practice Inspection Declaration (PID). The declaration asks whether you have signed or otherwise taken responsibility for work products that are addressed by the Practice Standards during the calendar year ended December 31, 2018. The deadline for PID is March 1. You may wish to refer to the newly published Practice Inspection FAQ, available in the [Members & Students](#) section of our website.

IVSC ISSUES NEW EXPOSURE DRAFT ON NON-FINANCIAL LIABILITIES

The IVSC's Business Valuation Board has issued a new Exposure Draft for consultation, which proposes a new IVS chapter – **IVS 220 Non-Financial Liabilities**. This chapter has been drafted in response to feedback received and it is hoped will further enhance the quality of the IVS, especially as it relates to business valuation practice. This Exposure Draft provides the draft standard (IVS 220), and also outlines additional insights on the process, information considered, and ultimate rationale for preliminary conclusions reached by the IVSC Boards.

Members who may have an interest in this field of valuation work are encouraged to provide comments and feedback. The consultation closes on **April 1, 2019** and information, as well as the Exposure Draft, is available here: <https://www.ivsc.org/standards/international-valuation-standards/open-consultations>
