ATTENTION: Registered Students & Members – ACTION REQUIRED
All Registered Students and Members must submit a Mandatory Practice Inspection Declaration by MARCH 1. CBV Institute requires this information to identify individuals who issued Work Products (or reports) to third-party clients during 2018 that are addressed by the Practice Standards. Failure to complete the Declaration by March 1 may lead to possible suspension/termination of your status, per the By-laws.

[Click here to be directed to the Declaration.](#) A sample image of the Declaration has been provided below.

As a Member or Registered Student, please indicate, by completing the below declaration by March 1, 2019, whether you have signed or otherwise taken responsibility for work product(s) which are subject to CBV Institute Practice Standards during the year ended December 31, 2018 (the "Inspection Period")?

Note that a Yes answer identifies you as a Practitioner who is subject to Practice Inspection by CBV Institute for that period.

☐ Yes

☐ No

The declaration results will be used by CBV Institute to select a random sample of individuals for inspection from the list of those who have made a positive declaration.

For any questions regarding Practice Inspections and Work Product that is potentially subject to Practice Inspection, please contact Catalina Miranda, Director, Professional Practice, at catalina.miranda@cbvinstitute.com, or 416-613-0300.
