## DEADLINE APPROACHING – 2019 IAN R. CAMPBELL RESEARCH INITIATIVE

The Ian R. Campbell Research Initiative was started by the CICBV in 2004 to foster original and ground-breaking research in business and intangible asset valuation, and related topics. The Initiative was named for a CBV who was instrumental in the early development and codification of best practices and theoretical underpinnings of business valuation. Since its inception, the Initiative has annually awarded substantial amounts to academics, students and practitioners to further its research goals. Proposals for the 2019 Research initiative are due by **July 31, 2019**. For more information on the process, please [click here](#), or contact Christine Sawchuk, Director of Education and Accreditation ([christine.sawchuk@cbvinstitute.com](mailto:christine.sawchuk@cbvinstitute.com)) for details.

## FASB REVISITS ACCOUNTING FOR INTANGIBLE ASSETS AND GOODWILL, INCLUDING IMPAIRMENT TESTING

The issue of annual impairment testing versus amortization of goodwill is being revisited with the Financial Accounting Standards Board (FASB) issuance of an Invitation to Comment (ITC) on how to account for certain identifiable intangible assets acquired in a business combination. Members doing valuations for financial reporting (VFR) work may be particularly interested in these FASB developments.

## VOLUNTEER OPPORTUNITIES

### Seeking CBV Volunteers for Program of Studies Focus Group

CBV Institute is currently undergoing a comprehensive review of the core valuation courses in the Program of Studies. One of the steps involved in this review is to convene a focus group to validate the work that CBVs carry out. CBV Institute is seeking one CBV with at least 5 years of experience, who works in financial services (e.g., banks, pension funds, insurance companies, etc.). The focus group will be moderated by a testing and assessment professional, and will meet once in mid-August for approximately 4 hours.

### Seeking CBV Volunteers for Accreditation Committee

CBV Institute is seeking one or two bilingual CBVs to sit on the Accreditation Committee for a term beginning immediately and ending in the Summer 2020. CBVs who work in financial services (e.g., banks, pension funds, insurance companies, etc.) will be given preference, but all bilingual CBVs who are interested are invited to contact CBV Institute.

The general responsibilities of the Accreditation Committee can be [found here](#).

To express your interest in, or to obtain more information on the above initiatives, please contact [Christine Sawchuk](#), Director of Education and Accreditation.
