## NOTICE BOARD

### DID YOU KNOW? ... THE IVSC IS CREATING A DATABASE OF VALUERS TRAINED IN IVS – DO YOU QUALIFY TO BE INCLUDED?

The International Valuation Standards Council (IVSC) frequently receives enquiries from users of valuation services seeking information on professionals who are trained and equipped to provide IVS-compliant valuations. To this end, the IVSC is creating a global database that will be searchable country-by-country and will enable members of the public to access that data to make informed decisions when selecting a valuation professional. CBV Institute is working with the IVSC to ensure CBVs are included.

If you have taken any IVS training, you qualify to be included. CBV Institute is offering IVS training through the iiBV e-learning course, available at <https://cbvinstitute.com/internationalvaluationstandards/>.

For more information and to be added to the IVSC database, contact [Catalina Miranda](#), Director, Professional Practice.

# VOLUNTEER OPPORTUNITIES

## Seeking CBV Volunteers for Program of Studies Focus Group

CBV Institute is currently undergoing a comprehensive review of the core valuation courses in the Program of Studies. One of the steps involved in this review is to convene a focus group to validate the work that CBVs carry out. CBV Institute is seeking one CBV with at least 5 years of experience, who works in financial services (e.g., banks, pension funds, insurance companies, etc.). The focus group will be moderated by a testing and assessment professional, and will meet once in mid-August for approximately 4 hours.

## Seeking CBV Volunteers for Accreditation Committee

CBV Institute is seeking one or two bilingual CBVs to sit on the Accreditation Committee for a term beginning immediately and ending in the Summer 2020. CBVs who work in financial services (e.g., banks, pension funds, insurance companies, etc.) will be given preference, but all bilingual CBVs who are interested are invited to contact CBV Institute.

The general responsibilities of the Accreditation Committee can be [found here](#).

To express your interest in, or to obtain more information on the above initiatives, please contact [Christine Sawchuk](#), Director of Education and Accreditation.
