## UNIVERSITY OUTREACH PROGRAM CALL FOR VOLUNTEERS

CBV Institute has commenced a University Outreach program, with the goal of exposing business, accounting, and finance students to the CBV designation and possible career paths as a CBV. With the help of local CBV's, university students around Canada will learn about the CBV Institute Program of Studies and business valuation as a career, while connecting their curriculum to the everyday tasks of a CBV. If you are interested in being a presenter at a local university, please let CBV Institute know by emailing [education@cbvinstitute.com](mailto:education@cbvinstitute.com). CBV Institute provides presentation materials to volunteer presenters.
