## BREAKING NEWS

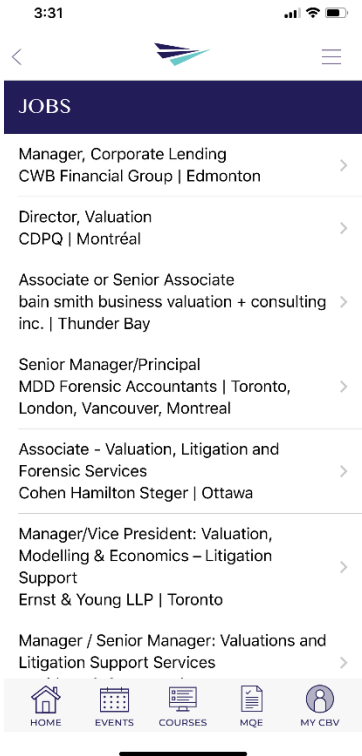

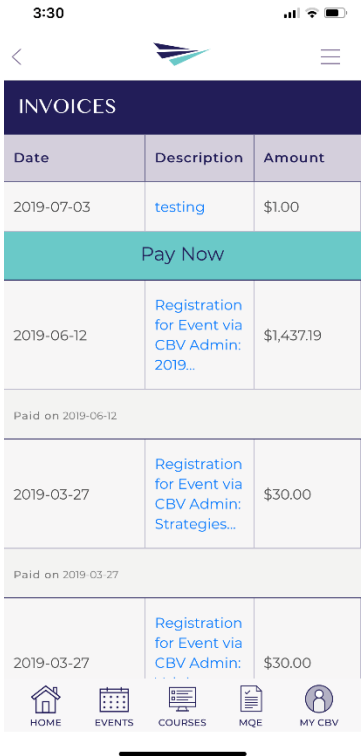

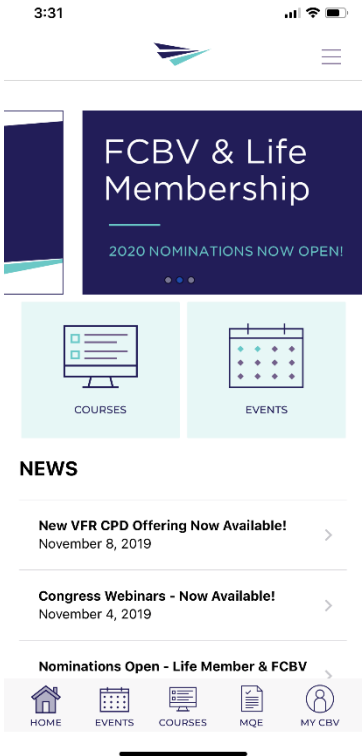

### CBV INSTITUTE ON THE GO 2<sup>nd</sup> RELEASE OF CBV APP

CBV Institute has updated its App, adding several new functions to increase its effectiveness and usefulness! You can now look at job opportunities, submit your Practice Inspection declaration, pay fees, browse and register for events and much more, all from your phone.

To download, please go to the [App Store](#) and [Google Play](#). Once downloaded, use your cbvinstitute.com log in information to access the app.

#### What is the App and why should I download it?

In June, we launched CBV Institute App which was focused on enhancing the experience of Congress participants. With this new release, our focus has shifted to allowing Members and Registered Students to engage with the Institute on the go. Things like registering for events and updating your contact information just got much easier, more intuitive, and less time-consuming. It also brings important news and information related to your profession to the tip of your fingers.

## NOTICE BOARD

### QUALITY CONTROL PROCESS: EXAMS AND SUGGESTED SOLUTIONS

As part of its regular quality control processes, the Education Department is looking for CBVs to review past course exams and suggested solutions, and to provide input (on a compensated basis). Reviewers are needed for all courses.

If you are interested or would like more information, please contact [education@cbvinstitute.com](mailto:education@cbvinstitute.com), and let us know which course(s) you are interested in reviewing, as well as your capacity (i.e., the number of exams and suggested solutions you would be able to review). CBV Institute is aiming for the review and input process to be completed by December 20th, 2019.

## UPCOMING WEBINAR

### November 27 - The Blockchain Ecosystem for CBVs – Basics, Awareness, Risks, and What’s to Come

Blockchains and cryptographically backed digital assets can pop up in any engagement, whether we're ready or not. Join Joshua McDougall as he walks you through some basics about the technology; how to recognize when these digital assets (such as Bitcoin and Ethereum) are present in a business; how proper collection and review processes can reduce the risks that these new technologies expose us to; and how to ensure all relevant information is uncovered and understood.

## CALL FOR CBV VOLUNTEERS

Are you looking for the opportunity to help the next generation of CBVs? CBV Institute often receives requests from potential students to be connected with CBVs who have similar backgrounds for their perspective on the designation. Through a phone call or coffee meeting, you could help future CBVs learn more about the designation and provide insight into career possibilities. In particular, CBV's from the financial sector (e.g. banking, pension funds, and investment management) and individuals in industry are welcome.

If this sounds like an opportunity you are interested in, please email [education@cbvinstitute.com](mailto:education@cbvinstitute.com) with your location, practice area and contact information.

## DID YOU KNOW? INTERNATIONAL GLOSSARY OF BV TERMS BEING UPDATED

The Institute is leading an international working group of valuation professional organizations (VPO) whose goal is to update and enhance the International Glossary of Business Valuation Terms – presently available as Practice Bulletin No. 2. This glossary, while still relevant, was last updated in 2001. Stay tuned for an updated International Glossary of Business Valuation terms coming soon. For any comments or feedback about this, please email [catalina.miranda@cbvinstitute.com](mailto:catalina.miranda@cbvinstitute.com).

## NOMINATIONS OPEN LIFE MEMBER DESIGNATION

Nominations are open for the Life Member designation, one of the highest honours bestowed by CBV Institute. The Life Member designation is granted to retired Members who have attained eminence in the profession.
