## NOTICE BOARD

CBV Institute recognizes that the COVID-19 pandemic has had financial repercussions on certain current and prospective Registered Students. As such, CBV Institute will extend to such individuals (i.e., whose personal or household income has been reduced due to COVID-19) the opportunity to defer the payment of 50% of course fees until the end of the 2020 Spring/ Summer term.

Current and prospective Registered Students who wish to take advantage of this partial course fee deferral for the Spring/Summer 2020 term are asked to carefully read and complete [this form](#), and send to Christine Sawchuk, Director of Education and Accreditation, at [christine.sawchuk@cbvinstitute.com](mailto:christine.sawchuk@cbvinstitute.com).

### UPDATES TO INSTITUTE ELECTORAL PROCESS

To maintain an efficient and accessible electoral process for the membership, CBV Institute is pleased to announce we will be introducing electronic voting. Planning has begun to prepare for the technologies required.

Coincident with the technology upgrade, and to promote fair and equitable regional representation, revisions to certain voting districts have become necessary. Members are assigned to a designated CBV region according to the location of his/her principal place of business.

## PROFESSIONAL PRACTICE MATTERS

### IASB Releases Consultation on Goodwill and Impairment

The International Accounting Standards Board (IASB) is exploring how to help investors hold companies to account for acquisitions and improve the accounting for goodwill. A Discussion Paper titled Business Combinations—Disclosures, Goodwill and Impairment was released on March 19, 2020. The IASB’s preliminary view is that it should require a company to disclose information about its objectives for an acquisition and, in later periods, information about how that acquisition is performing against those objectives. The IASB has also been exploring whether to change the accounting for goodwill, and whether it can make the impairment test more effective and less complex.

CBVs and Students practicing in the area of valuations for financial reporting are encouraged to review and provide feedback before the September 15 deadline. Feedback can also be provided to the Director, Professional Practice at [catalina.miranda@cbvinstitute.com](mailto:catalina.miranda@cbvinstitute.com). The Institute will be submitting a formal response.

The IASB discussion paper is [available here](#).

## TOPICS IN IVS

### IVS Consultations

As part of its transparent and robust standard-setting process, the IVSC’s Business Valuation Board issued an exposure draft on a brand new IVS chapter - Inventory (IVS 230). IVS presently has no standards specific to the valuation of inventory. The most common context for the valuation of inventory is financial reporting related to a business combination. Comments to the Exposure Draft may be submitted directly to the IVSC, or feedback can be provided to CBV Institute’s Director, Professional Practice at [catalina.miranda@cbvinstitute.com](mailto:catalina.miranda@cbvinstitute.com). The exposure draft documents are [available here](#). Comments to the IVSC are due June 30, 2020.

The latest version of IVS was issued in July 2019 and has an effective date of 31 January 2020. For a complete copy of IVS, please see [CBV Institute’s IVS webpage](#).
